

## Notification of Joint Membership

Under the terms of Rule 6, given below, the partner of an existing member may become a joint member.

“Partners of fully paid-up ordinary members may become joint members, and be entitled to vote at the AGM and participate in club business and to serve, if elected, on the committee. They will not be entitled to an additional magazine. To take advantage of this option, the member must inform the Secretary in writing. Unless revoked, joint membership will then stand for all periods in future providing the original member remains fully paid-up. In lieu of a partner, a member may nominate one closely related person to be a joint member.”
